Campus Expansion Updates

Campus Expansion Spotlight:
Spiritual Healing and Wellness Center

Each month we are highlighting some exciting efforts behind NorthPoint's campus expansion. This month we highlight the Spiritual Healing and Wellness Center. It will provide an indoor meditative spiritual space, along with a courtyard garden and gathering spaces for the community. Please stay tuned for updates on when the Spiritual Healing and Wellness Center will be open to guests.
Beginning in early September, the NorthPoint clinic entrance moved to its final, permanent entrance on Plymouth Ave N. All patients will enter the clinic from this new main entrance, pictured below.

Please allow extra time before your appointments to adjust to these changes!

For the most recent updates to location and parking, please visit our Campus Expansion webpage.
