Get Your COVID-19 Shot and Other Vaccines!

**Saturday, May 20**

Due for a COVID-19 vaccine or booster? Need to get routine vaccines for school, work, or general well-being? NorthPoint is offering vaccine appointments [Saturday, May 20, from 8:30 a.m. to noon](#). Some regular, routine medical appointment times are also available. **Appointments are required.** Call [612-543-2500](tel:612-543-2500) to schedule!

Did You Receive a Good Faith Estimate for your Upcoming Visit?
If you received a Good Faith Estimate (GFE) recently, it may not reflect your newest benefits. Your insurance or Medicaid coverage may have changed or expired.

A GFE is not a bill. You may or may not be charged the full amount listed on the GFE. It lists the items or services that can be reasonably expected for your health care needs, and it shows you how much the items and services will cost. This is based on what we know at the time we make the estimate.

If you have new benefits information or questions, please call us at **612-543-2500** to update us over the phone. You may also update your benefits information on [MyChart](#) or bring your newest information to your next visit.

**Campus Expansion Updates**

**Campus Expansion Spotlight:**

*Community Food Shelf*

*Pictured: The new Community Food Shelf waiting room*
Each month we are highlighting some exciting features of NorthPoint’s campus expansion. This month we highlight the new location for our Community Food Shelf, which will be located at the north end of our main campus building. The design will feature spacious cooling and storage areas, as well as a waiting room for our guests. The new Community Food Shelf location will open to the public during the summer. For now, we are still at 1835 Penn Ave. Stay tuned for updates!

For the most recent updates to location and parking, please visit our Campus Expansion webpage

May is High Blood Pressure Awareness Month!

High blood pressure (hypertension) can lead to heart disease, kidney disease and stroke. Monitoring your blood pressure at home can help you know your numbers.

Talk to your provider or healthcare team to help get your blood pressure under control.
Check out our *Making Health Happen* episode on blood pressure awareness and talk to your provider or healthcare team to help get your blood pressure under control.
