NorthPoint responds to COVID-19 pandemic

If you are sick, you must stay home

You can send someone to pick up food for you.

- To keep ALL of us safe, we will give you a pre-packed box of food.
- Masks are required. If you don't have one, we will give you one.
- Please line up outside the front door.
- We will distribute order forms, and then bring your pre-packed box of food outside. If you do not care for an item, please give it to a neighbor.

We appreciate your assistance, patience, and cooperation!

Programs:

- Food Shelf:
  - An ID is helpful but not required.
  - You may visit once per calendar month – you are welcome anytime during the month.
- Infants and Toddlers:
  - Please ask us about diapers and baby food. Our inventory changes daily.
- Resources:
  - Talk to a Navigator if you want help with any other programs at Northpoint Health & Wellness or in the community or call (612)767-9500.
- Nutrition Assistance Program for Seniors (NAPS or “the senior box”).
  - Eligibility: at least 60 years old & 130% Federal Poverty Guidelines.
  - To apply, call Second Harvest (800)365-0270.
- Summer Outdoor Distribution – Free Fresh Food Fridays:
  - We distribute fruits and vegetables outside at various times during the summer months.
